Thank you for considering Outwest Adventures LLC for your hunting needs. You have asked for information on our Turkey hunt in Southeastern Colorado, Southwestern Kansas, and Northwestern Oklahoma.

#### **Location**

If you choose to book your Turkey hunt with us, you will be hunting outside either of Lamar Colorado along the Arkansas River, south of Springfield Colorado close to the Cimarron River, in western Kansas just East of the Colorado state line, or in Northwest Oklahoma, just South of the Colorado state line or all of the above!! This area has vast open plains with miles and miles of river bottom along the Arkansas and Cimarron Rivers, in the canyons of southern Colorado and Northwest Oklahoma, and finally on the agricultural fields of western Kansas. Tall cottonwoods perfect for roosting and thick willows provide excellent habitat for flocks of Merriam's, Rio Grande's, and hybrids of both species that call this area home.

#### **"The Hunt"**

You will have the opportunity to hunt several private ranches (40,000 acres). Tags are very tough to draw as there is less than 20 available in the state draw for our units, but since we have leases for deer hunting, and you will be hunting private land, your tag can be purchased over the counter or on-line. There are two species of Turkeys in this area, Merriam's, Rio Grande's, and hybrids of both species. This is one of the few places you can hunt and harvest either species. NOTE: There is a healthy population of Prairie Rattlesnakes in the area. They are quite active in the later weeks of Turkey Season, so snake boots are highly recommended.

#### **Pricing**

**Hunt:** \$1,250.00 per gun for Colorado or Kansas (1 Bird), \$1,500 for Colorado and either Kansas or Oklahoma (2 – 3 Birds), and \$1,750 for all three states (3-4 birds)

*\*\*License, airfare, game processing, transportation, meals, taxidermy, meals/lodging, and transportation to and from Denver are not included in the price of the hunt*
